Attached

Date work is planned for: \_\_\_\_\_

By signature below, I agree to follow the planting plan as approved, and notify the Municipality upon completion. I agree to perform all necessary actions to maintain the tree rows for the life of the shelterbelt, as not to create problems with weeds, drainage, and snow load along the Municipal right of way. Upon notice of completion the Municipality will provide an inspection to verify that all aspects of the plan have been completed and issue a rebate upon confirmation that all necessary requirements have been fulfilled.
